Your holiday collection day will be:	Mon. 30	Tue. 31	Thu. 2	Fri. 3	Sat. 4

New 2020 Commingle Recycling and Yard Debris Collection Calendar

Watch for your new 2020 collection calendar in your December billing.

You can also print a collection calendar directly from our website at bendgarbage.com or call to have one mailed at 541-382-2263.

Yard Debris Service

Customers signed up for yard debris services within the city of Bend can now include all food waste with their yard debris!

Pick up a complimentary kitchen pail at the Bend Garbage office to conveniently store your food scraps. Empty your pail

into your yard debris cart, along with your yard debris.

For more information about the yard debris subscription services and to sign up, call 541-382-2263.

Winter Weather Guidelines

Your safety and our driver's safety are the number one priority. Here are some reminders that you, our customer, need to know.

- Please maintain access to roll carts, containers and enclosures by clearing snow and ice. Our drivers are generally working by themselves and icy conditions or areas not shoveled can make it impossible for them to provide service.

- Bag wet waste to help prevent garbage from freezing to the bottom of your roll cart.
- Fireplace ashes must be COLD. Warm ashes can flare up in our trucks.
- Bag packing peanuts, cold ashes, kitty litter and any other debris that could easily blow around while your roll cart is being emptied.

Tips for the Holidays

Reduce, Reuse, Recycle

It's estimated that between Thanksgiving and New Year's Day, more than 1 million tons of additional waste is generated each week nationwide. Consider some of these tips and ideas to help reduce waste.

Use reusable gift wrap or alternative gift wrapping ideas

Scarves, bandannas, and the newspaper comic section are great alternatives for gift wrap.

Send electronic or recycled-content cards

Electronic holiday cards reduce paper waste. If you are purchasing cards, look for recycled ones.

Take reusable cloth bags on shopping trips

Help reduce the thousands of bags that end up in the landfills during the holidays.

Purchase a live tree that can be replanted after the holidays

Or recycle your live tree when you are done with it. Make a donation to the Boy Scouts of America to pick up your tree or bring it to Deschutes Recycling in Bend at no charge during the month of January.

Give the gift of togetherness

Consider making a charitable donation in someone else's name. Or, give an experience or an event to remember, such as tickets to a concert, sporting event, or memberships to a museum.

Use rechargeable batteries

About 40 percent of all battery sales occur during the holiday season. Rechargeable batteries reduce the amount of potentially harmful materials thrown away, and can save money in the long run.

Electronics:

Recycle your old electronics at Deschutes Recycling. TVs, computers, monitors, desktop printers, keyboards, and mice can be recycled for free. Other electronics can be recycled for a fee.

Holiday items you can recycle:

Regular gift-wrapping paper (no foil), paper shopping bags, gift boxes, holiday cards and envelopes, packing paper, and holiday catalogs.

Holiday items that can't go in your blue recycling cart:

Liners and tissue paper from shopping bags and shoe/gift boxes, ribbon, foil backed wrapping paper, plastic bags, and wrappers. Reuse when possible.

For more ideas on how to reduce your waste over the holidays, visit rethinkwasteproject.org/reduce/reduce-waste-over-the-holidays/.

Comingle Recycling

When in Doubt – Leave it Out

Make sure you're putting the right materials in your blue commingle recycling cart – paper, cardboard, metal, aluminum cans, plastic bottles and rigid plastic tubs 6 ounces or larger, and milk jugs.

Plastic film like grocery bags, bubble wrap and Styrofoam cannot be recycled curbside.

Keep recyclable free of food and liquid.

Never bag your recyclables. Items should be placed in the cart individually.

If you have questions about a specific item, contact our customer service team at 541-382-2263.

Christmas Tree Recycling

Local Boy Scout troops will be collecting and recycling Christmas trees in your community the weekends of December 28 & 29 and January 4 & 5. Requested donation is \$10. 100% of money raised will go directly to the individual scout troops.

Individual troops in your area will post door flyers specifying which days they will be picking up trees in your neighborhood. Trees will be recycled so please have trees cleaned of all lights, decorations, and tinsel.

For more information, please call the numbers listed below.

541-385-3977 for pick-up SW Bend; west of 3rd street and south of Newport/ Greenwood.

541-385-2692 for pick-up NW Bend; west of 3rd street and north of Newport/ Greenwood.

541-385-2672 for pick-up NE Bend; east of 3rd street and north of Greenwood/ Highway 20.

541-385-3942 for pick-up SE Bend; east of 3rd street and south of Greenwood/ Highway 20.

We will collect your tree on your garbage day the week of January 6 - 10 for a \$5 charge. Set your tree out next to your roll cart.

For city customers with curbside yard debris service, you can recycle your Christmas tree by cutting it down to smaller pieces and placing in your yard debris cart.

At no charge from January 2 - 31, 2020, Christmas trees can be recycled at Deschutes Recycling, located at Knott Landfill. Tree must be free of decorations, wire, and tinsel. No flocked trees allowed.

Recycling Preparation Guide

95-Gallon Comingle Roll Cart

- Newspaper - Anything that comes in the newspaper can be recycled with the newspaper.
- Magazines, Catalogs, Phonebooks
- Plastics – Rinse clean. No need to flatten. Acceptable Plastics: Plastic bottles and tubs 6 ounces or larger (except those containing hazardous products or motor oil). Rigid plastic plant pots 4 inches or larger. Plastic buckets of 5 gallons or less, milk jugs.
Non-Acceptable Plastics: Bottle & tub lids, trays, bags and film, large items (i.e. toys), foam/expanded plastics, clamshells and bakery containers, food-contaminated items, "Biodegradable" plastics, cups, plates, silverware, blister packaging, any plastic containers smaller than 6 ounces.
- Tin/Aluminum – Cans, jar lids, foil, TV dinner trays, beverage cans. Rinse clean. No need to flatten.
- Paper bags
- Corrugated Cardboard - Flatten. *No waxed or slick coated cardboard.*
- Mixed Paper, Junk Mail & Paper – Paper, envelopes, white & colored paper, computer paper, tin can labels, wrapping paper (*no foil or ribbon*), shredded paper (*strips only, no confetti*). *No paper ream wrappers, tissue paper, waxed paper, candy wrappers, snack food bags.*

- Paperboard – Cereal/cracker/shoe boxes (discard liners), soda and beer cartons, paper egg cartons, paper towel tubes. *No frozen food boxes, paper cups/plates/towels/napkins, pet food bags.*

City Recycling Only

- Glass (Red & Blue Bins) – Clear and colored glass bottles and jars. Rinse clean. Labels are okay. No need to separate by color. No dishes, glasses, ceramics or window glass.
- Motor Oil (Residential only) – Pour into an unbreakable, leak-proof container (one gallon maximum) with a tight fitting lid. Clearly label container "motor oil" and place next to your recyclables.

Recycling Tips

- Remember glass is collected in both the red & blue bins – *every other week (same day as your commingle recycling).*
- Plastic grocery bags are not recyclable at the curb. Please recycle at participating grocery stores.
- Styrofoam peanuts and rigid packing pieces are not recyclable. Please bag Styrofoam peanuts before putting them in garbage roll cart.
** Most mailing services will accept bagged Styrofoam peanuts for reuse.*

Recycle Depot Locations

- Deschutes Recycling, located at Knott Landfill, accepts all items listed above.
- City of Sisters and Deschutes County Transfer Stations accept all items listed above.
